Report of Principal and School Improvement Council

The top priority at Chapin Elementary School (CES) is academic achievement. Our goal is to move each and every student to advanced levels of learning. In all grades, our teachers use the results of the Dominie Assessment to make instructional decisions to help our students reach their highest potential in reading. In grades two through five, our teachers use Measures of Academic Progress (MAP) to identify strengths and weaknesses in the area of math and reading for each child.

A full-time Literacy Coach supports our teachers in training and implementing best practice in a balanced literacy approach to reading and writing. Reading Recovery works with individual students and small groups in reading and writing. A Reading Interventionist works with small groups of students on reading strategies. The successful implementation of Compass Learning in the areas of math and reading supported our students continued accomplishments.

Our physical education program has focused on healthy lifestyles this school year. Our school raised over \$9000 to purchase and install a rock wall. We also have become a National Archery Site under the direction of our PE teacher. The belief that healthy students achieve more academic success was our motivation for looking so closely at physical education.

CES continues to emphasize character development for every child. Students are recognized for practicing good character and making quality decisions through "Gotcha Cards." Our students also participated in several service projects, GOoDworks, Pennies for Pearl Harbor, We Care Food Drives, and the Ronald McDonald House. Our school raised over \$11,000 to "make a house a home" for a CES family and collected over 300 pounds of can tabs for the Ronald McDonald House. Our students make a difference when it comes to making responsible, moral choices. We believe and promote that the natural outcome of living by Chapin "PRIDE" is self-discipline and self-esteem.

The mission of CES, in partnership with parents and community, is to prepare each child for the challenges of a rapidly changing world by accentuating the strengths of each individual, instilling respect for self and others, and fostering the love of learning in a stimulating environment. Through strong collaborative commitment and dedication of this community, our students will continue to experience success! Thank you for your support and for sharing the responsibility of the accomplishments of our students, our school, and our community.
